Permit and Project Tracking

Before searching, please be sure to read the [instructions](#). Once you have done so, you can begin the search process by using the search fields below.

House number

Street name

Application reference

Parcel ID

Owner/Contractor Name

Location

Status

Active Applications only

Unperformed Inspections only

Remember these values

To Search by Location:

- You must provide both a number **and** a street name.
- Do not enter the street suffix. **Enter the name only.** (e.g. enter "Main" or "Great")

To Search by Application reference:

- Type in the application number that was assigned to your submittal.

To Search by Parcel ID:

- Locate your property on MapGeo ([Click this link to view MapGeo](#))
 - Enter the "ID" value from the Property tab on the left

To Search by Owner/Contractor Name:

- For an owner: only enter the **last name** of the owner
- For a contractor: only enter the **first word** of the contractor name
